Dear Sir:

The Concerned Citizens of Hampton County Respectfully request that you thoroughly investigate SCE&G's increase request, you have given them eleven increases in the past five years.

In the last five years many of the Hampton County Citizens have lost their jobs, some have lost their homes, our taxes have been increased, prices of gas, food, medicine, etc. have also increased.

The Federal Government is now going to make us buy Health Insurance even if we cannot afford it, and if we do not, we will be taxed.

We believe our financial burdens are much worse than SCE&G. We are requesting you not give them another increase!

Sincerely,

A handwritten signature in cursive script that reads "Martha Bazzle".
